CANADIAN PACIFIC RAILWAY COMPANY.

## Train Service.

**T**HE line of the Canadian Pacific Railway extends across Canada from St. John, New Brunswick, on the Atlantic Ocean, to the City of Vancouver on the Pacific Ocean, and it is the only transcontinental railway in America whose passengers are carried without change of cars from tidewater to tidewater. It is the only system of Railway "from Ocean to Ocean" under one management.

**TICKET OFFICES** at important stations are open 30 minutes before departure of trains, and passengers are requested to purchase tickets before entering cars. Ten cents additional is charged for tickets purchased on trains, and Conductors will collect only to points on their respective runs. Passengers should always procure tickets at regular railway ticket offices, and ask for them via the Canadian Pacific Railway.

**MILEAGE BOOKS**, good on Atlantic, Eastern, Ontario, and Lake Superior Divisions, are sold at principal stations \$25.00 for 1,000 miles. These books are valid for one year from date of issue, for purchaser only, whose signature they must bear, and are not transferable. Mileage book coupons are not good on trains, but must be exchanged at the ticket office for passage ticket before entering cars.

## A CANADIAN PACIFIC RAILWAY TICKET OFFICE ON BOARD.

N.B. - For the convenience of passengers proceeding to interior points in Canada and the United States, a railway ticket office, in charge of a competent ticket agent, has been arranged on the deck of this steamer below the Saloon deck.

THE RETURN FROM THE MOOSE HUNT.

## Sport in Canada.

THE great forests of the Dominion of Canada have long been recognized as the home of big game. The prairies are the favorite hiding places of the quail, partridge, chicken, woodcock, etc. The marshes are the haunts of the wild water fowl, and the great waterways the home of many species of fish.

The transportation facilities to this great land of fur, feather and fin are excellent. The sportsman is placed by the Canadian Pacific Railway within easy reach of the desired game. Owing to the immense area covered by this railway from Atlantic to Pacific, a great variety of sport of all kinds is rendered easily accessible in all Provinces of the Dominion.

Good reliable guides can be had in all parts of Canada at reasonable wages, but this must be arranged well in advance of the trip. The Tourist and Colonisation Agents of the Canadian Pacific at Montreal are always ready to give advice to enquirers on this point as on other points connected with camping trips.

Particular attention is paid to the wants and requests of sportsmen, and lists of guides, information regarding any special district, game laws, outfits and supplies will be promptly obtained on application to any Canadian Pacific Railway Agent.

## CUSTOMS AND BAGGAGE.

**D**URING the summer season the C.P.R. baggage officials and the Canadian Government Customs officials will board the "Empresses" at Rimouski port and, proceeding to Quebec in them, will arrange on board the examination and checking of baggage of first and second cabin passengers through to the rail destination. This arrangement relieves passengers of any delay at Quebec, and on arrival at that port they can proceed immediately to the special train for the west.

**U**. S. Customs officers are at Quebec, St. John, N.B., Montreal, Ottawa, Smiths Falls, Toronto, London, Ont., Winnipeg, Man., and Vancouver, B.C., Stations to examine baggage destined for U.S. Passengers travelling to the U.S. via those points are recommended to have baggage examined at either place and avoid examination at International Boundary. Baggage from U.S. to Canada, and vice versa, not examined at places named above must be examined at International Boundary, otherwise it will be held by Customs. Passengers should attend *personally* to having their baggage examined by Customs Officers.

**S**PECIAL DELIVERY OF BAGGAGE.—Passengers for Montreal, Quebec, Ottawa, Toronto, Hamilton, Winnipeg, Vancouver, or Victoria, and the larger cities in the Eastern United States, may now have baggage checked by any agent of this Company through to any residence, hotel, steamship dock, or railway depôt, in such cities. This is a convenience. The transfer charge to be paid the baggage master at time of checking.
